

# Regular Speech & Language Therapy (SaLT)

Assessment and therapy to supplement your existing SaLT service

03

## Resources included

Free photocopiable resources

Guidance for SENCO on the best resources

Loan service

## Impact

Faster progress for children requiring regular SaLT

Early identification of children with SLC difficulties

Mentoring for staff

1:1 demonstration of SaLT programmes for LSAs

More inclusion and differentiation

Teachers report many benefits to having a SaLT in school:

- Instant advice on strategies to use in class
- Increased understanding of communication difficulties
- Joint problem-solving

## Time needed for learning

SaLT attends a staff meeting to enable staff to understand and benefit from the service

Planning meetings with SENCO & staff as required

## Cost

Speech & language assessments from **£150**

Monthly visits from **£550** per term

Fortnightly visits from **£1125** per term

Weekly visits from **£2250** per term

## Detail

No waiting lists

SaLT can attend review/EHCP meetings

SaLTs can support transition to Year R, KS1, 2 or 3

SaLT collaborates with NHS/HCC SaLTs to ensure **maximum benefit for children**

School staff have **immediate access** to advice on speech & language during term time.
